

Dear Riverland Wine Industry,

Now in its 45th year the Annual Riverland Wine show is and remains a valuable forum for the assessment of wines made and grown within the Murray - Darling River districts and aims to recognise the hard work and dedication of our local growers and winemakers.

The Wine Show Committee would like to extend an opportunity for individuals within your organisation to nominate themselves or someone they know to join the committee of the Riverland Wine Show.

Currently the committee has several vacant positions and is looking for enthusiastic, committed and passionate individuals to contribute to our current committee skill set.

The Riverland Wine Show is a fantastic networking opportunity for those in the local industry, a great way to learn more about the Australian Wine Show System and a valuable way local organisations can contribute to the ongoing success of our Show.

Although knowledge of the local wine industry and Australian Wine Shows is beneficial, it is not compulsory; the committee are also seeking members from local food and wine clubs, Loxton Agriculture and Horticulture Show Society as well as individuals with skills in sales, hospitality, marketing, treasury and secretarial work.

Meetings are currently conducted monthly (third Monday of each month) and will be split between Loxton and Renmark. While attendance to all meetings is beneficial to the committee, a minimum of four meetings annually suffice the committee constitution.

Positions on the committee are voluntary in nature however benefits include:

- Opportunity to influence direction and running of the wine show.
- Networking opportunities with sponsors, judges and local wine industry personnel.
- Several social engagements throughout the year including but not limited to: Committee Dinners, Judges Welcome Dinner and JMA Judges Dinner, held on the first night of judging.
- Half price tickets to the Annual Wine Show Gala Celebration.
- Access to wine exhibits after the exhibitor tasting.
- Good exposure for member's employers.
- Associate Judging and Stewarding opportunities.

If you would like further information about the committee, please contact our secretary on the details below OR to formally express your interest in joining the committee (or nominate an individual) please forward the attached nomination form via email before February 13, 2017.

Forward Nominations or Queries to:
